PROBLEMS WITH SIMS AGORA

Agora carried out updates to their system prior to the summer holidays. They issued new logins to all users but they were only valid for a limited period. If you find your account is no longer working please let the school office know and they will request a new invitation code on your behalf.

Please note, SIMS Agora have reported delays with parent registration. Requests for new users are taking up to 48 hours to validate. If you have requested an invitation code and you have not received an email after a couple of days please let the School Office know.

GARDEN OF REMEMBRANCE

To mark the 100th anniversary of the end of the First World War we would like to encourage our children to remember the fallen heroes. On Friday 9 November, we will be having a special assembly to honour the occasion. After the assembly, every child in school will place a poppy in our garden of remembrance with the name of a Coventry serviceman who was killed in WW1. If you have a family member who was killed in action, or died of the wounds in any conflict and you would like their name in the garden, please let Mr Whelan or the School Office know.
