

Academic Year: <b>2019/20</b>	Total fund allocated: <b>£18,370</b>
----------------------------------	---

The PE premium funding is to be solely spent on developing the physical education curriculum, health and competitive sport in school. Below you will find a breakdown of what the money has been spent on:

- Enhancing our lunchtime provision with sports coaches
- Paying for membership subscriptions in order to access local competitions
- To cover PE co-ordinator to attend meetings and sports competitions
- Pay for transport to and from sports events

---	--	-----	-------------------------	---	---	---

**For the academic year 2020/21 the following will be priority in addition to a continuation of the above:**

- Specialist support for the delivery of PHSE linked programmes for KS1 and upper KS2
- Upskilling teachers continuous professional development
- Forest School Resources
- Active Maths Resources
- Delivery of new sports e.g. Netball
- Daily Mile Challenge
- Sports Leader training

The above points were measured from Autumn 2019 to Spring 2020 pre-lockdown. Every child pre-lockdown was given the chance to compete in both inter and intra class competitions as well as inter-school competitions. Active learning is used throughout all the year groups, to help promote physical activity.

Throughout lockdown, the children were also given the opportunity to take part in virtual Sports competitions provided by Coventry East. These competitions were supported by video challenges and explanations from our Sports Coach on the school facebook page.

As a result of the coronavirus (COVID-19) outbreak, the Department for Education took steps to relax the ring-fencing arrangements for the PE and sport premium in the 2019 to 2020 academic year to allow any unspent grant to be carried forward into the 2020 to 2021 academic year. Any under-spend has been factored into spending plans for our 2020 to 2021 PE and sport premium allocation and will need to be spent in full by 31 March 2021.
