

# PEARL HYDE PRIMARY SCHOOL

## WEEKLY NEWSLETTER 27/03/2020

### MESSAGE FROM MRS O'HARA

It goes without saying that it has been a very, very strange week for all our school community. Our school has been quite empty, with varying numbers of children attending this week. We have had some lovely posts on our Twitter account and Facebook page showing us some of the activities taking place in your 'School Homes'. We all look forward to seeing and hearing about all you are doing at home, so please keep it up. Our aim is to contact each child once a week, just to say hello and re-inforce with them that they are still part of the Pearl Hyde Family. I am immensely proud of all the staff who have offered to come into school to work with the children and to those who are supporting us at a distance, from home, providing remote assistance. Please keep yourselves safe and well during these very different and challenging time. With my very best wishes.

Theresa O'Hara

### SCHOOL NURSING

In this crazy time the school nurses are working for the children and families of Coventry. They are aware that parents may still be in need of support with sleep, behaviours, bedwetting and constipation etc.

The School Nurses can be contacted with questions / queries from yourselves. They have set up a parent line so you can TEXT in on 07507 329 114, they will then call you back.

Obviously handwashing <https://www.nhs.uk/live-well/healthy-body/best-way-to-wash-your-hands/> is the most powerful weapon we have against Covid19. The best and most accurate advice remains on The World Health Organisation <https://www.who.int> and NHS website <https://www.nhs.uk>

### CHILDREN OF KEY WORKERS

If you are a key worker and you intend to send your child to school, please let us know as and when you require provision. From Monday 30<sup>th</sup> March, we will no longer be able to provide meals in school. Please send your child to school with a packed lunch and water bottle. They should wear comfortable active clothes, suitable for PE (no uniform) and they can bring their bikes/scooters.

### KEEP IN TOUCH

PLEASE follow us on Twitter and Facebook. Search for 'Pearl Hyde Primary School Page' on Facebook or @PearlHydeSchool on Twitter - like us and share with your friends. We will continue to post resources and we love to see what the children are getting up to at home.

### HOME LEARNING

Our Home Learning page is now live on our website - <https://pearlhyde.co.uk/home-learning/> Here you can find all the resources that have been sent home and links to online activities for you to complete at home with your children. We will be adding to this page regularly so keep an eye out for updates.

Your child's class teacher will also be phoning home once a week just to check everything is ok at home, to see if there is anything we can help with and simply for your child to hear their teacher's voice to give some reassurance in these very strange times.. If you get a call from 'No Caller ID' it is probably a teacher!
