

# INTERNET USE CONSENT FORM

Pearl Hyde Primary School provides computers, laptops and tablets for pupils to use, which enables them to access a vast amount of valuable information for use in studies and learning within the classroom. The School has an E-Safety Policy and a Pupil Acceptable Use Agreement, which pupils are expected to adhere to. The policy and agreement are available on our school website or from the School Office.

We would like your consent to allow your child to use the computer facilities and access the internet in line with the E-safety Policy and Pupil Acceptable Use Agreement. If you are not happy for us to do this, that is no problem – we will accommodate your preferences.

Please tick the relevant box(es) below, sign, date and return this form to school.
