

PEARL HYDE PRIMARY SCHOOL WEEKLY NEWSLETTER 09/04/2020

MESSAGE FROM MRS O'HARA

Hello everyone I hope all you home learners are managing to access the learning your teachers have put together for you on our website in the 'Home Learning' section.

The next 2 weeks are school work free, it will be a very different type of school holiday for you all. We hope you enjoy working through some of the ideas in the 'Easter Holiday Fun Filled Family Pack', the link for this can be found later on in the newsletter.

We will be making some calls home over the next 2 weeks, but not to as many of you over the holiday. Our catch up calls to you all will resume when the summer term begins. Keep up the posts of all you are doing on our Facebook page and Twitter account over the holiday.

I am so grateful to the teachers who have volunteered to come in for the Easter Holiday Club and we too will be using the Holiday Fun Pack to guide us through. You are all in our thoughts, we miss you, lots. Keep yourselves safe and well during these very different and challenging times.

With my very best wishes.

Theresa O'Hara

HOME LEARNING

You have been emailed today a link to an **Easter Holiday Fun Filled Family Pack** (<https://finhammat-coventry.frogos.net/app/os?site=family>) for you to use over the holiday. All the schools in the MAT have come together to put together lots of activities, games and competitions to keep you entertained during the holiday break. You don't have to do them all but it gives you some ideas if you are struggling to keep the children occupied during this difficult time.

The link is also on our home learning page on our website <https://pearlhyde.co.uk/home-learning/> and for those of you who are unable to access it online, please contact the school office for a paper copy.

Don't forget, if you have any questions or need help whilst the schools are closed you can call the School Office on 76610165.

SCHOOL NURSING

The School Nurses can be contacted with questions / queries from yourselves. They are aware that parents may still be in need of support with sleep, behaviours, bedwetting and constipation etc or may be worried about their child's emotional health and wellbeing during these unsettling times. They have set up a **parent line** so you can **TEXT in on 07507 329 114**, they will then call you back.

Coronavirus: What you need to do
