### COVID VACCINATION CENTRE – WEDNESDAY 30<sup>TH</sup> JUNE AT LYNG HALL

Now that vaccinations are available to everyone aged 18 and over, NHS staff are setting up a vaccination centre at Lyng Hall School on **Wednesday 30 June from 2pm to 6pm**. Anyone can turn up during the afternoon and receive their first Pfizer vaccination without booking. This is a great opportunity for the NHS to get as many eligible people vaccinated as possible.

The session is taking place in Lyng Hall's Conference Centre which is separate to the main school. Parking is available and visitors should enter the school drive from Blackberry Lane and drive through the next set of gates to the centre. If on foot, there will be signs directing you to the conference.

**There is no need to book, visitors can just turn up and get their Pfizer vaccination.** We look forward to supporting the NHS and seeing as many people as possible.

## SUMMER READING CHALLENGE 2021

Children's reading skills tend to dip over the Summer holidays and research shows that the Summer Reading Challenge can help to prevent this trend. Reading for pleasure is important. Reading for fun improves literacy. Studies have shown that those who read for pleasure have higher levels of empathy, greater self-esteem and are better able to cope with difficult situations.

This year's Summer Reading Challenge is Wild World Heroes! Be inspired to explore ways of helping to save the planet – and have tons of fun along the way!

- Sign your child up for the Challenge at your local library
- It's fun and totally free!
- Your child will be given a special collector folder to keep a record of their reading
- They read at least six library books and collect stickers and rewards along the way
- They receive a certificate and medal when they finish
